

West River BUILD Project

Tampa Multimodal Network and Safety Improvements

Pre-Construction Public Information Meeting

Segment 6 will provide approximately 0.4 miles of a bicycle boulevard on Glenwood Drive, a new multimodal trail, and safety enhancements in the Ridgewood Park neighborhood. These improvements will extend along Glenwood Drive from West Columbus Drive to a new, special-emphasis crosswalk at Ross Avenue. Segment 6 will ultimately connect with the existing East Riverwalk on West 7th Avenue. *(See map on back.)*

KEY COMMUNITY BENEFITS

New bicycle boulevard with shared lane markings and bollards on North Glenwood Drive

New high-emphasis crosswalk with pedestrian beacon at Ross Avenue crossing to Glenwood Drive

New 12-foot wide concrete, multi-use trail along North Boulevard and crosswalk at 7th Avenue connecting to existing Riverwalk

Americans with Disability Act (ADA) enhancements

“Dark Skies” friendly trail lighting

New 12-foot wide concrete, multi-use trail along the south side of Ross Avenue

PROJECT FUNDING

The design-build project cost is \$56,855,530. The project is being funded by local and federal sources, including a \$24 million Better Utilizing Investments to Leverage Development (BUILD) Grant from the U.S. Department of Transportation (USDOT) and a \$10,000,000 Community Redevelopment Award.
