# West River BUILD Project

Tampa Multimodal Network and Safety Improvements

## Pre-Construction Public Information Meeting

Segment 2, the longest portion of the project, features a 1.5-mile contiguous, multi-use trail that begins at Plant Park's existing brick plaza adjacent to the seawall and extends to the Martin Luther King Jr. Recreation Complex at Rome Avenue. This segment runs along the west side of the Hillsborough River, connecting key destinations and public spaces such as Plant Park, the University of Tampa, Julian B. Lane Riverfront Park, Tampa Preparatory School, Tampa River Center, Blake High School, Stewart Middle Magnet School, the planned Rome Yard Development, and the Martin Luther King Jr. Recreation Complex—spanning the area between North Rome Avenue and North Oregon Avenue. (See map on back.)

### KEY COMMUNITY BENEFITS

New and widened 12 foot multi-use concrete trail with brick banding, lighting, benches, and new trees

Living shoreline including "habitat panels" and public overlooks at key viewsheds along the trail

New sidewalk connections to West Green Street under I-275

Native ornamental landscaping and "Dark Skies" friendly trail lighting

### PROJECT FUNDING

The design-build project cost is \$56,855,530. The project is being funded by local and federal sources, including a \$24 million Better Utilizing Investments to Leverage Development (BUILD) Grant from the U.S. Department of Transportation (USDOT) and a \$10,000,000 Community Redevelopment Award.
