

West River BUILD Project

Tampa Multimodal Network and Safety Improvements

Pre-Construction Public Information Meeting

Segment 4 consists of approximately 1.3 miles of complete street improvements including resurfacing the existing pavement along Rome Avenue from West Platt Street north to West Columbus Drive. This segment will provide a dedicated, low-stress connection for the West Tampa neighborhoods south to Hyde Park and east to the riverfront. (See map on back.)

KEY COMMUNITY BENEFITS

New bicycle lanes and sections of protected, two-way cycle tracks and improved sidewalks

New high emphasis crosswalks, beacons, curb extensions, refuge islands, and green pavement markings to increase safety and driver awareness at key intersections, side streets, and other conflict points

Newly installed canopy and understory trees throughout corridor

Americans with Disability Act (ADA) enhancements

PROJECT FUNDING

The design-build project cost is \$56,855,530. The project is being funded by local and federal sources, including a \$24 million Better Utilizing Investments to Leverage Development (BUILD) Grant from the U.S. Department of Transportation (USDOT) and a \$10,000,000 Community Redevelopment Award.
