

# WEST RIVER BUILD PROJECT

## Tampa Multimodal Network and Safety Improvements

APRIL 2026

### NOTICE OF CONSTRUCTION

As part of the **West River BUILD Project**, the contractor is scheduled to start construction on Segment 4A (*see Project Overview below*). Construction is scheduled to begin on **Monday, April 20, 2026**, and is expected to continue through **June 2026**, weather permitting. Temporary traffic changes and detours will start **Monday, April 20, 2026**. Work will take place along S. Rome Avenue between W. Platt Street and W. Kennedy Boulevard. (*See Project Area Map on back for work location.*)

#### WHAT TO EXPECT:

- ✓ **Hours of operation:** Monday through Friday, 7 a.m. to 5 p.m.
- ✓ Staging of construction equipment and materials in public right-of-way areas
- ✓ Construction noise, dust, and increased presence of construction workers and equipment
- ✓ Temporary lane closures, detours, and minor traffic delays
- ✓ No anticipated interruptions to mail, garbage/recycling services

#### PROPERTY ACCESS:

Driveway access will be maintained for most homes and businesses; however, some locations may experience **temporary driveway closures** during sidewalk and curb reconstruction. Please plan to use nearby street parking if needed. Pedestrian access will be maintained, and emergency services will always have access. Business accesses are to be maintained and coordinated with the property owner.

#### PROJECT OVERVIEW

The City is making improvements along S. Rome Avenue from W. Platt Street to W. Kennedy Boulevard to create a safer, more connected street for everyone. Planned improvements include:

- Resurfacing of existing roadway
- Sidewalk upgrades and accessibility improvements
- Addition of high visibility crosswalks

This 1.3-mile project on S. Rome Avenue will provide a comfortable route for walking, biking, and driving - better connecting West Tampa to Hyde Park and the riverfront.
