WEST RIVER BUILD PROJECT

Tampa Multimodal Network and Safety Improvements

NOVEMBER 2026

NOTICE OF CONSTRUCTION

As part of the **West River BUILD Project**, the contractor is scheduled to start on Segment 3B ***(see Project Overview below)***. A traffic shift will be implemented on the northeast side of the Bayshore Boulevard and West Platt Street and the east turn lane from Bayshore Boulevard onto West Platt Street will be closed to traffic. Traffic wanting to turn left from Bayshore Boulevard onto West Platt Street to go over the bridge can use the left through lane to make a left turn. Sidewalk closures will also be in place on the corner of Bayshore Boulevard and West Platt Street, pedestrian detours will be put in place. This work is expected to begin on **Monday, November 16, 2026**. Roadwork and repaving will be underway during this time; motorists should drive with caution as uneven roadway surfaces are expected ***(See Project Area Map on back for work location.)*** Construction activities for Segment 3B will **continue through December 2026**.

WHAT TO EXPECT:

- ✓ **Hours of operation:** Monday through Friday, 7 a.m. to 5 p.m.
- ✓ Staging of construction equipment and materials in public right-of-way areas.
- ✓ Construction noise, dust, and increased presence of construction workers and equipment.
- ✓ Temporary lane closures, sidewalk closures, detours, and minor traffic delays.
- ✓ No anticipated interruptions to mail, garbage/recycling services.

PROPERTY ACCESS:

Pedestrian access will be maintained, and emergency services will always have access. Business accesses are to be maintained and coordinated with the property owner.

PROJECT OVERVIEW

Segment 3B includes Complete Street improvements designed to enhance safety, accessibility, and traffic flow in the area. Planned improvements include:

- Resurfacing of existing pavement
- Sidewalk upgrades and accessibility improvements
- Installation of a one-way eastbound protected cycle track along the south side of West Platt Street

This segment will provide a dedicated, low-stress connection from South Rome Avenue through Hyde Park to the riverfront.
